## DEDICATION

*This year the Phoenician staff would like to recognize a teacher with a very important quality—interest; interest in his students, his school, and his subject matter. He exhibits this interest in his teaching, in his direction of clubs and civic organizations. His interest has inspired students at Westmont for many years, not only in the field of typing/notehand, but in developing good relations with other people. So it is with great pride that this year's staff dedicates the 1972 Phoenician to:*

**MR. FREDERIC McLOOTA**

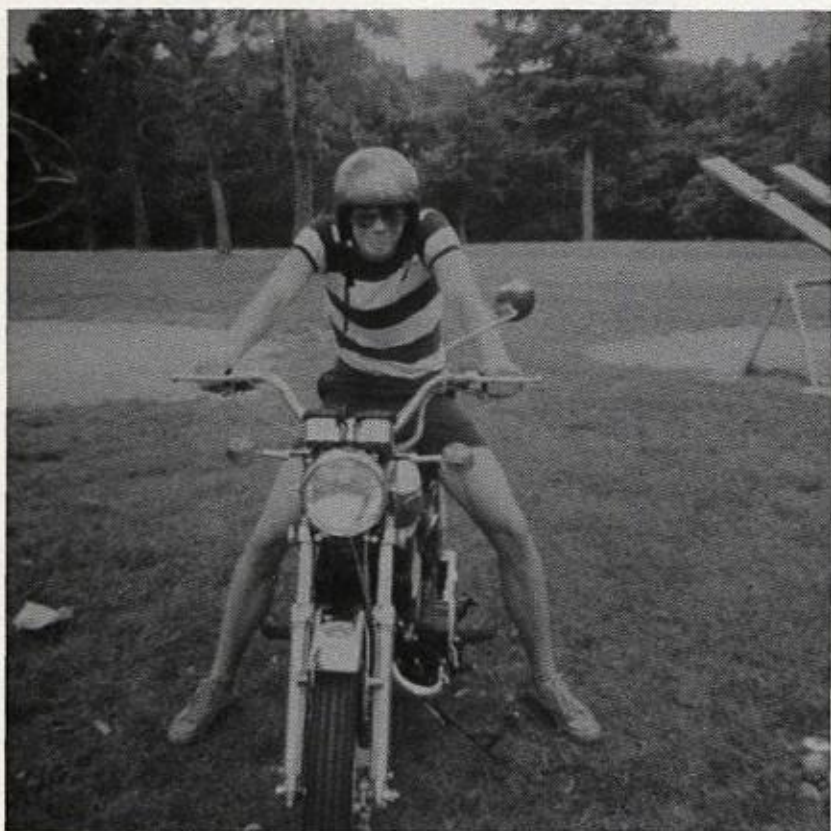

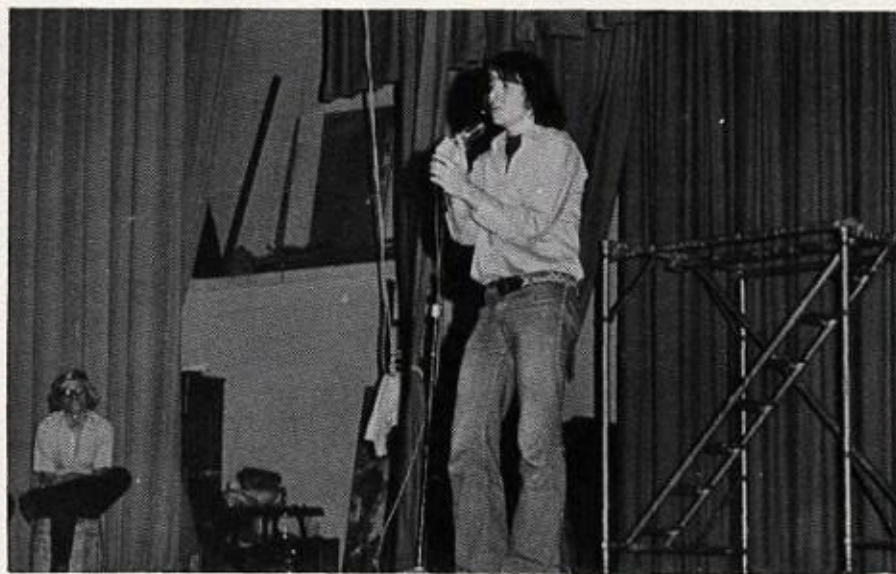

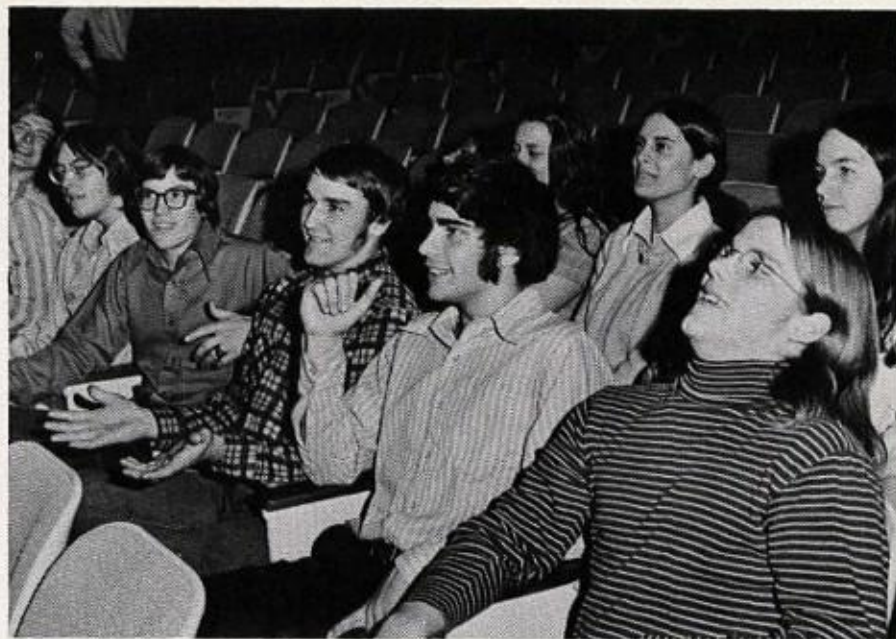

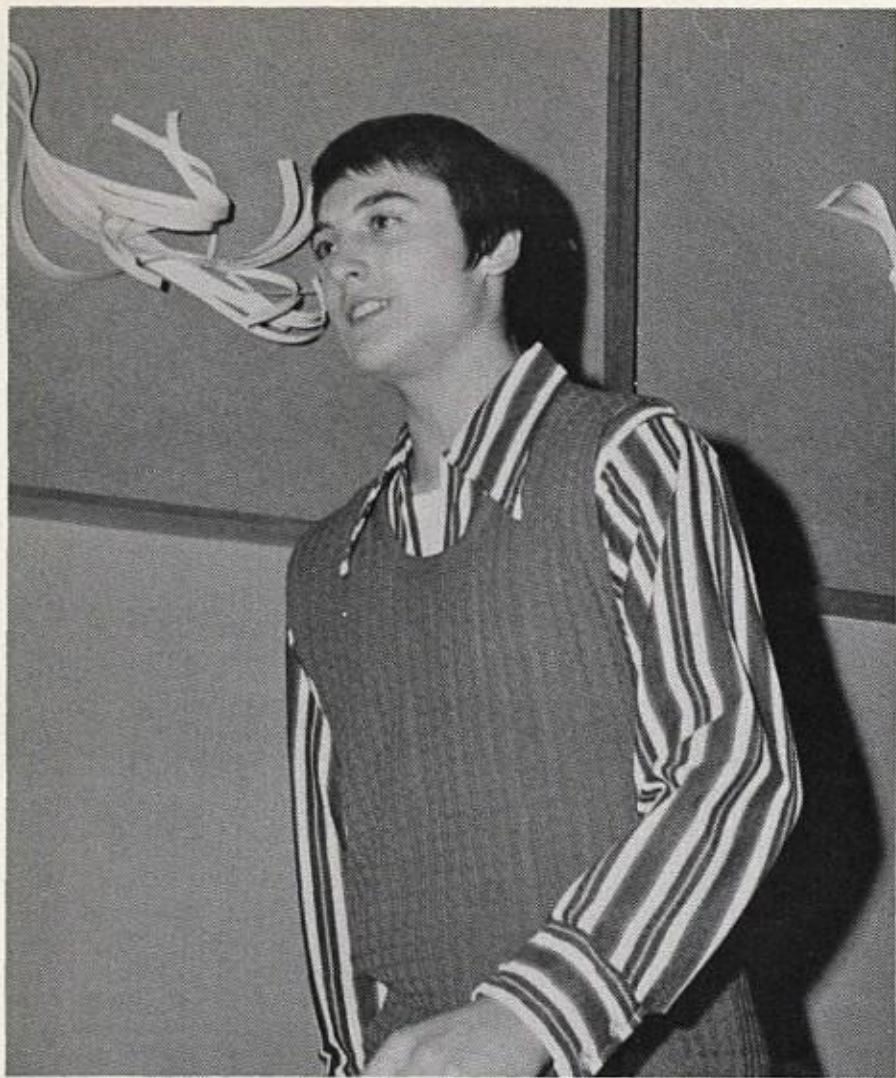

# THIS WAS THE YEAR

*August 30, 1971 started the new year in a clatter of confusion; Schedules had to be changed, classes had to be found, and friendships had to be renewed . . .*

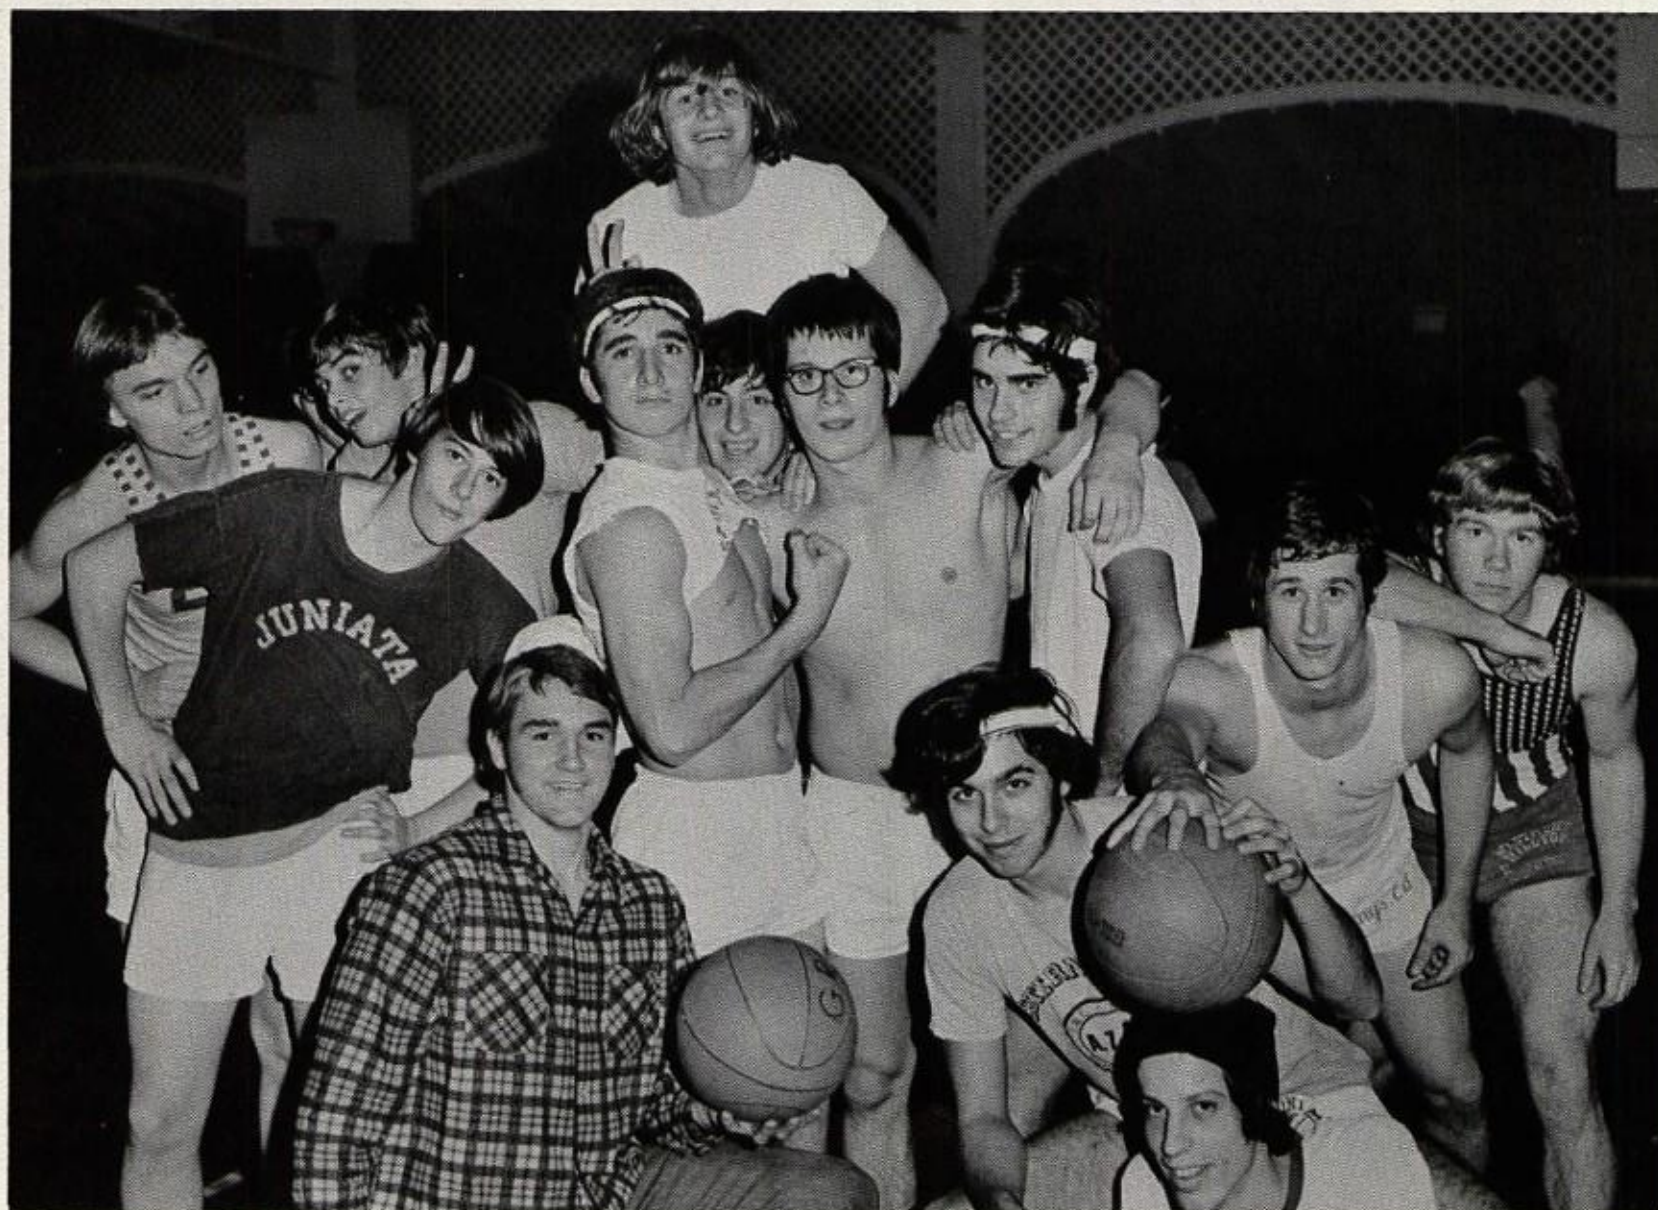

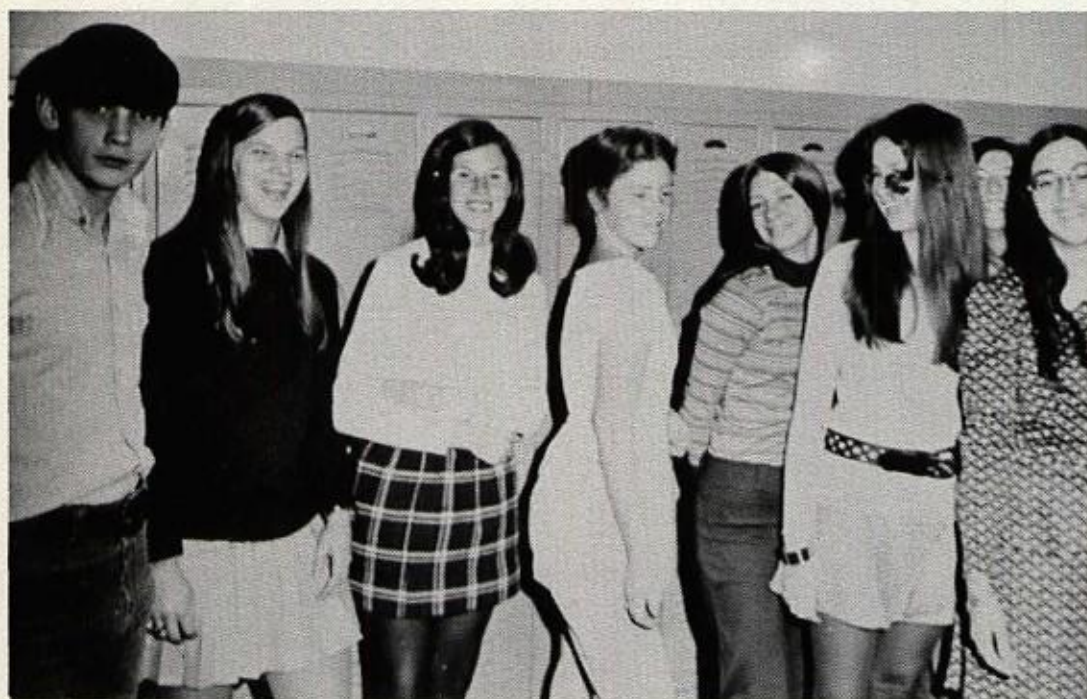

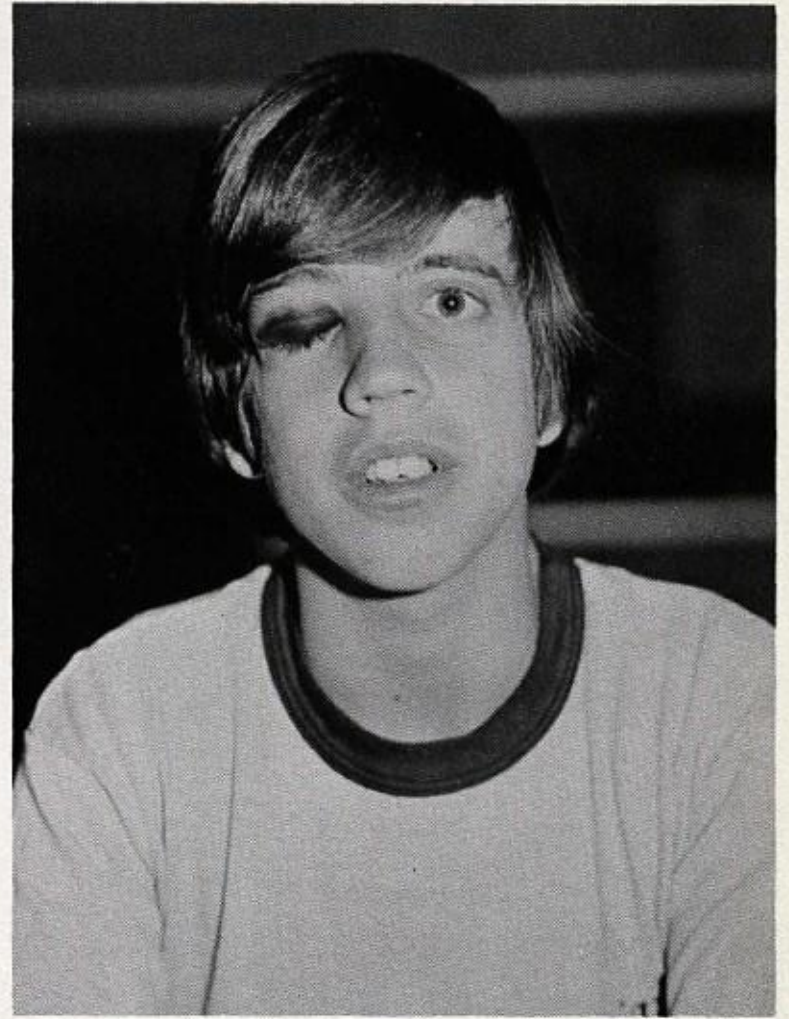

*Sophomores searched for a friendly face among the upperclassmen, Juniors returned with renewed vigor, or perhaps, renewed apathy, And Seniors began counting the days until the end . . .*

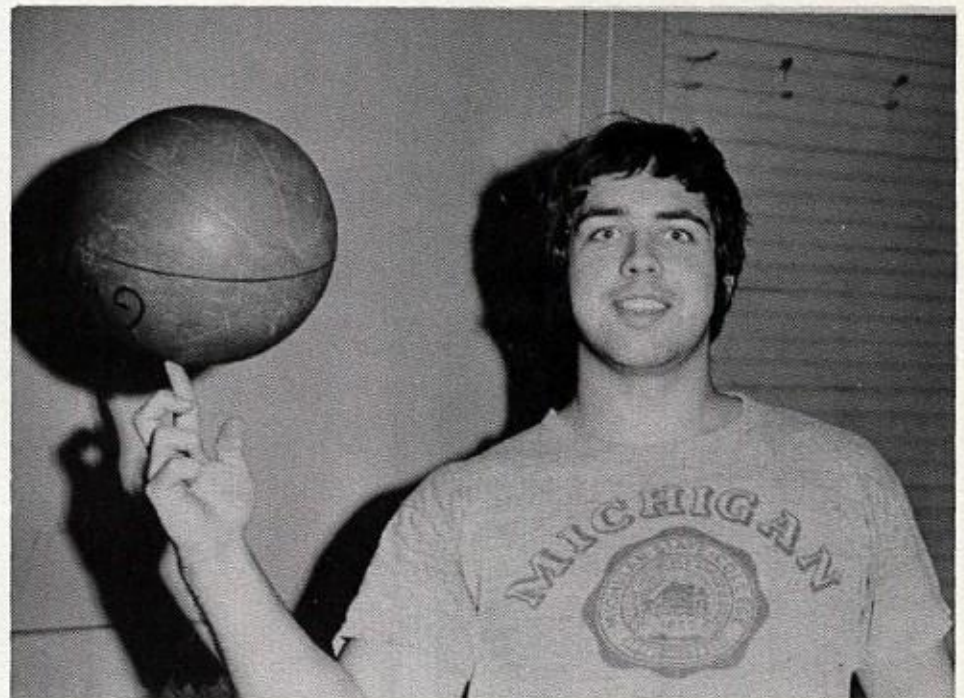

*So began a year of surprises, of heartbreaks, and of joys.  
There were of course some dark moments,  
But it is the lighter ones we want to remember and do so long  
after they have passed . . .*

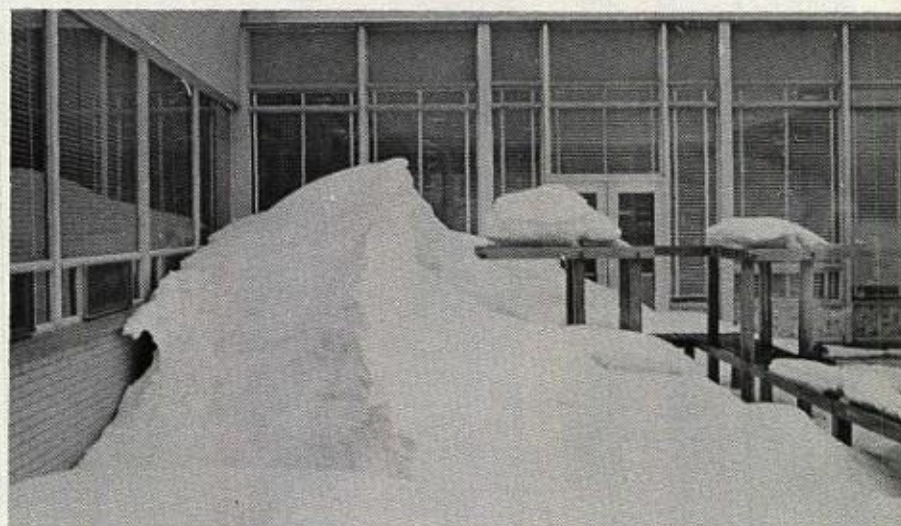

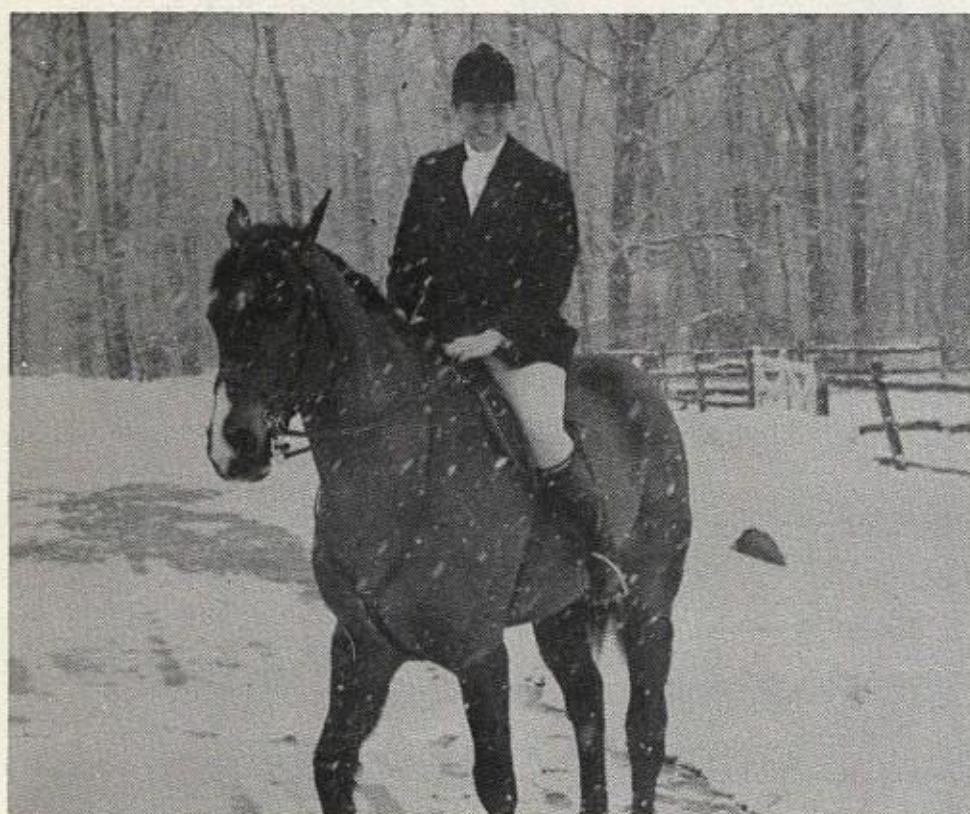

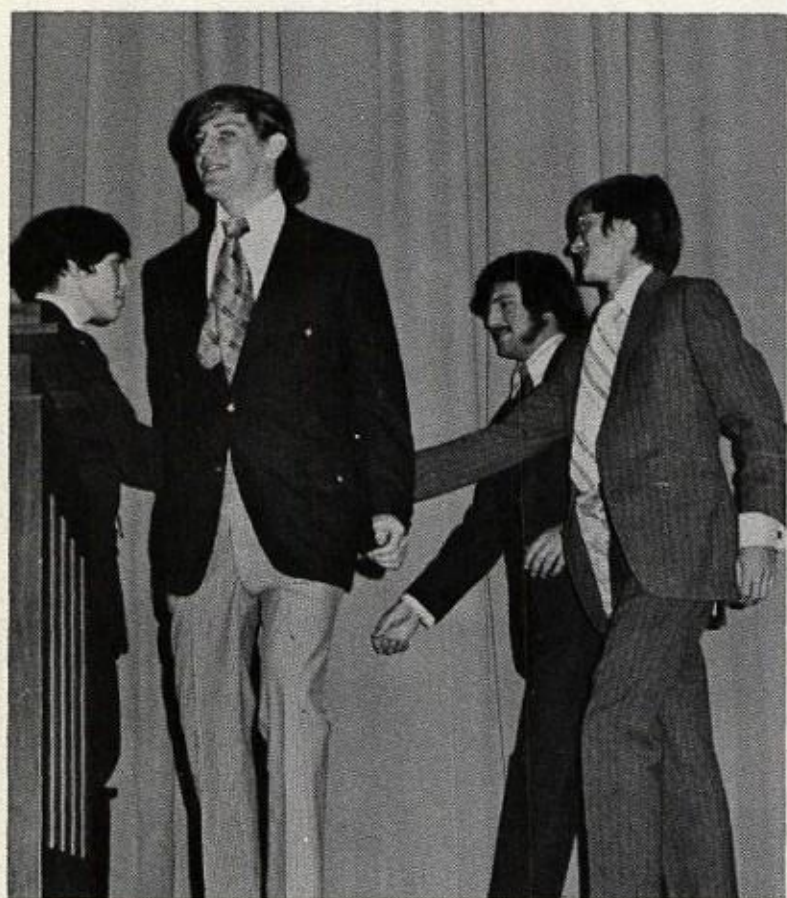

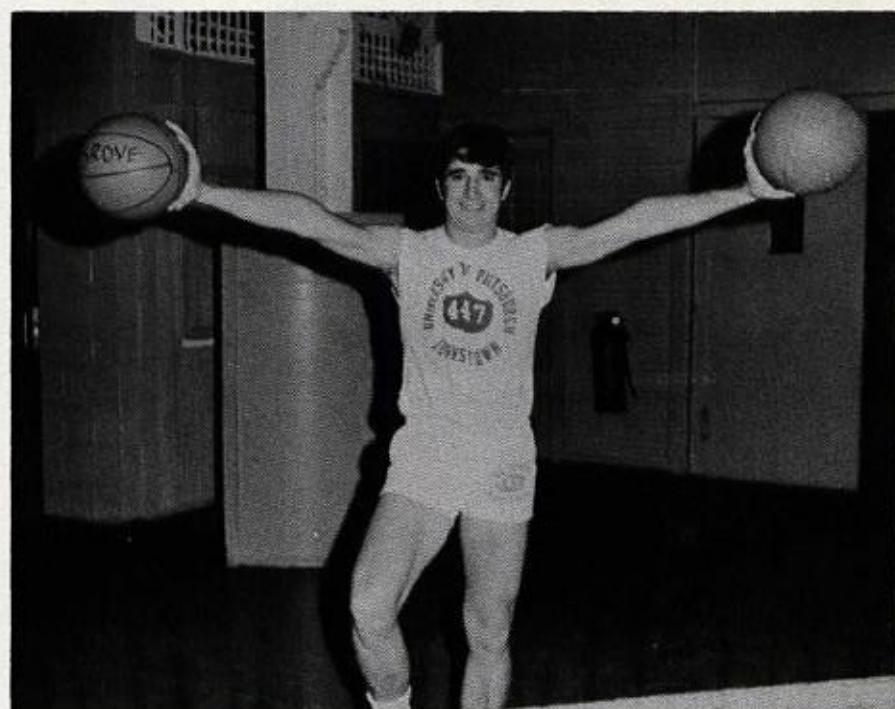

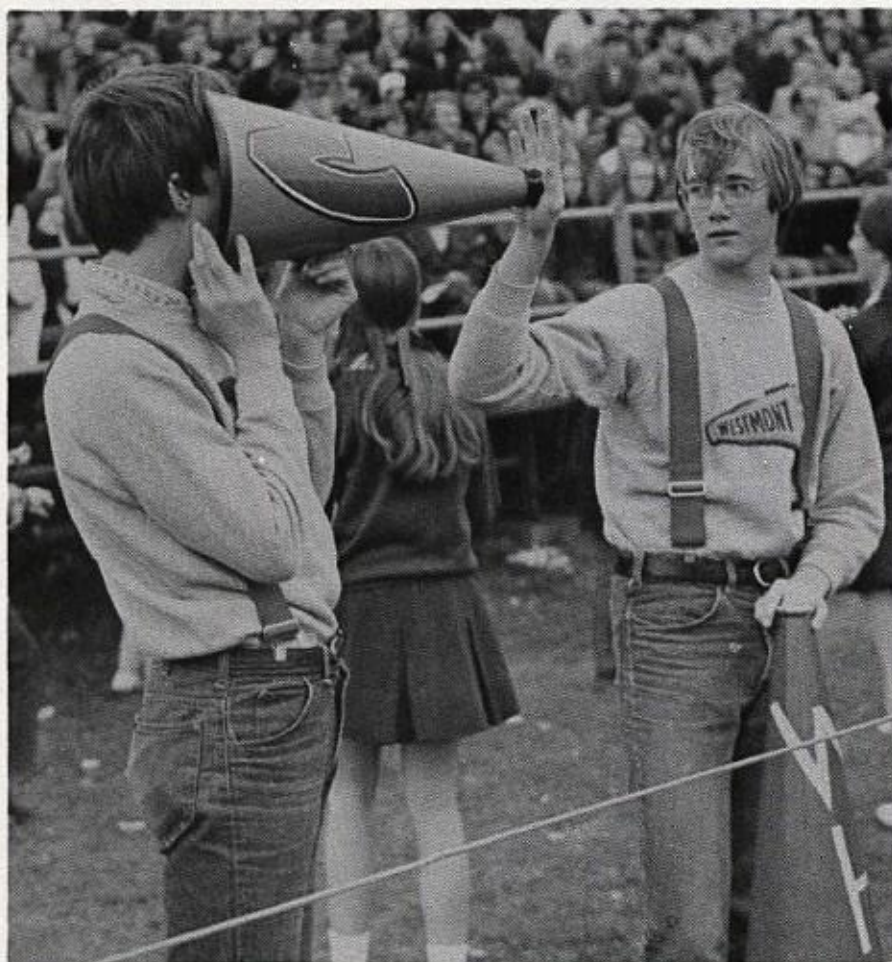

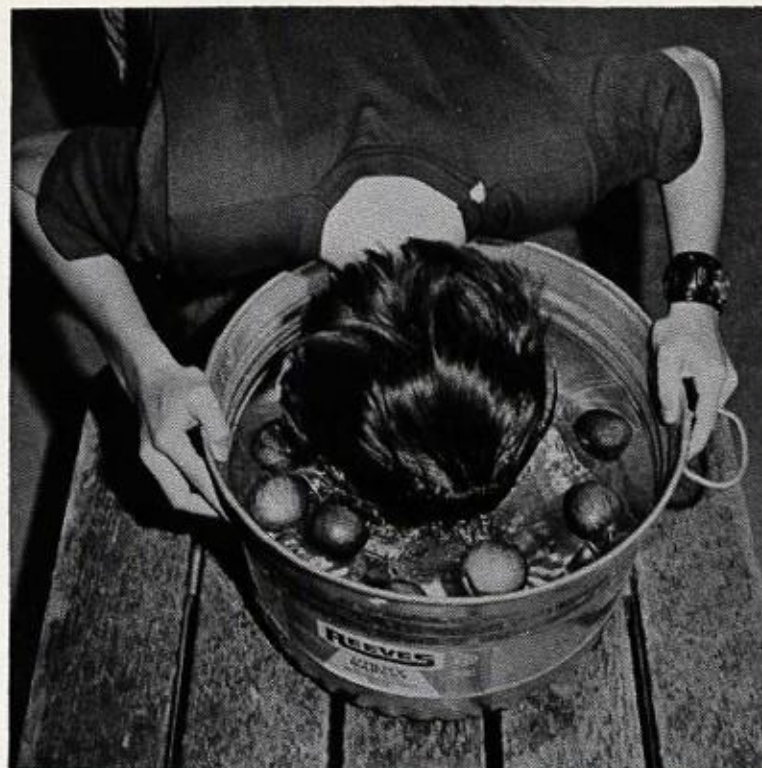

*Monotony was broken when;  
A strange folk singer "came and sang,"  
When cars without permits were "moved-out,"  
And when snow sculptures and printing surrounded the  
school . . .*

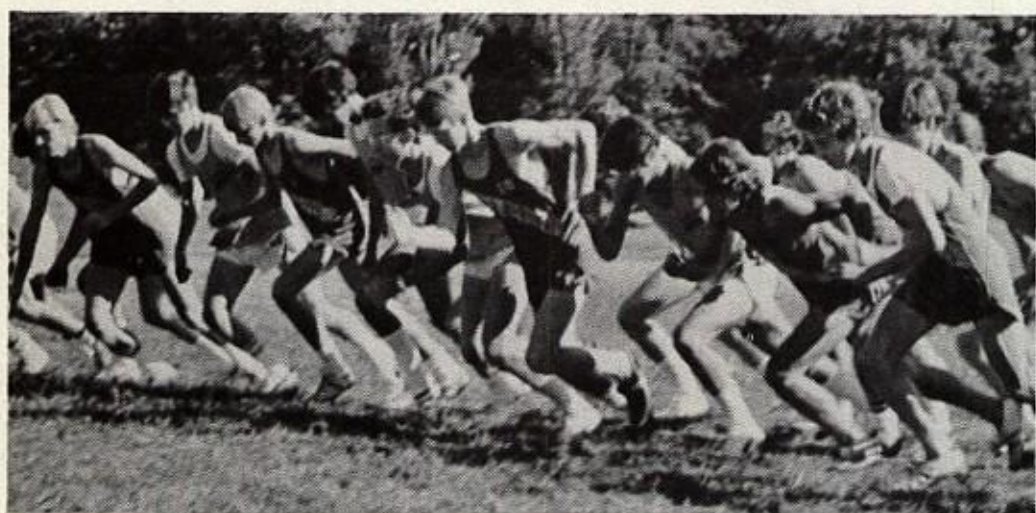

*And along with the other activities, another facet of school life began; Sports . . .*

*This year's Cross Country season officially started a week before the start of school. The team ran up to 15 miles a day; including wind sprints, hill climbs, and general long-distance running. This year's team had a burning desire to win and to give Cross Country a name of distinction at Westmont.*

*The harriers from Mount Scarlet showed many of the schools in the area that Westy could produce a high-class team. Although they didn't achieve a victory, the team showed well against some fine class-A schools, including only a 5-point loss to the State Catholic High Champ, Bishop McCort.*

*The team expresses its thanks for the fine support of the few people who did show up and is looking forward to the same kind of support next year, with, hopefully, a larger crowd.*

*We wish to recognize the efforts of Coach Balogh, his trainers, and his fine staff of managers. These boys do many tedious jobs that often go unnoticed when the team takes the field for a game. Some of their duties include keeping the equipment organized, repairing the equipment, and administering to the aches and pains of the players.*

*In the initial games of the season, the 1971 football squad gained valuable experience which they utilized in the third game to upset favored Cambria Heights. A victory in the final game of the year was indicative of the dedication and desire of this year's squad. The seniors, playing in their finale on the Westmont football team combined their efforts in order to defeat a strong Bedford team. "The benefits which this year's squad derived from participation in football will be an asset throughout our lives."*

*Just a little more UMPH ! ! ! ! !*

Perhaps the biggest problem with the J. V. team this year was the lack of depth. With only 37 young men turning out for the entire football squad, that left only 15 to fill the positions on the J. V. squad. But the record is not what really counts. What is important is the experience that the team members gain. Boys who gained experience this year will be in strong contention for Varsity positions in the 1972 season.

*After nine years a familiar figure will be leaving the senior high school to undertake new duties within the Westmont Hilltop School System.*

*The music program has benefitted greatly from his knowledge, experience, and dedication. The entire student body, as well as the marching band, flag twirlers, majorettes and color guard, have profited from their association with him.*

*The Phoenician staff takes this opportunity to extend their heartfelt thanks to:*

*A. ERNEST PAPINCHAK*

*The efficient services provided by one staff member have gone virtually unnoticed by most students. Only when a projector fails to operate properly, or a film breaks is the role of Educational Media Director obvious. Before and after school, he quietly provides teachers with the various audio-visual equipment they require. In addition he has served as an instructor in the Science department.*

*Now after twenty-two years he is leaving Westmont to accept a new and challenging position in educational media.*

# Girls' Basketball

The expert coaching of Miss Doris Leibfreid led the girls' basketball team through a successful season. The team conquered the new five man rules to end the season with an 8-4 record. Although the team lost the league championship to Indiana, our girls captured their first championship in Section One of the Central Western League. Congratulations to the girls on a terrific season! !

## Student Council

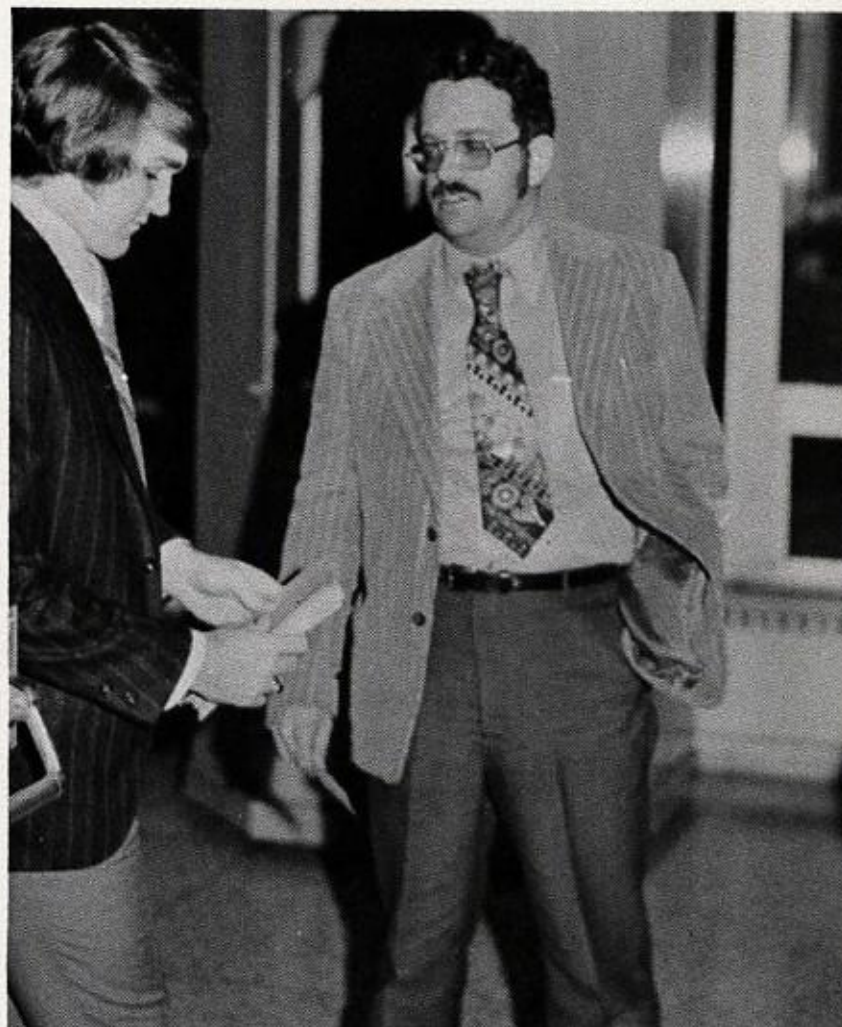

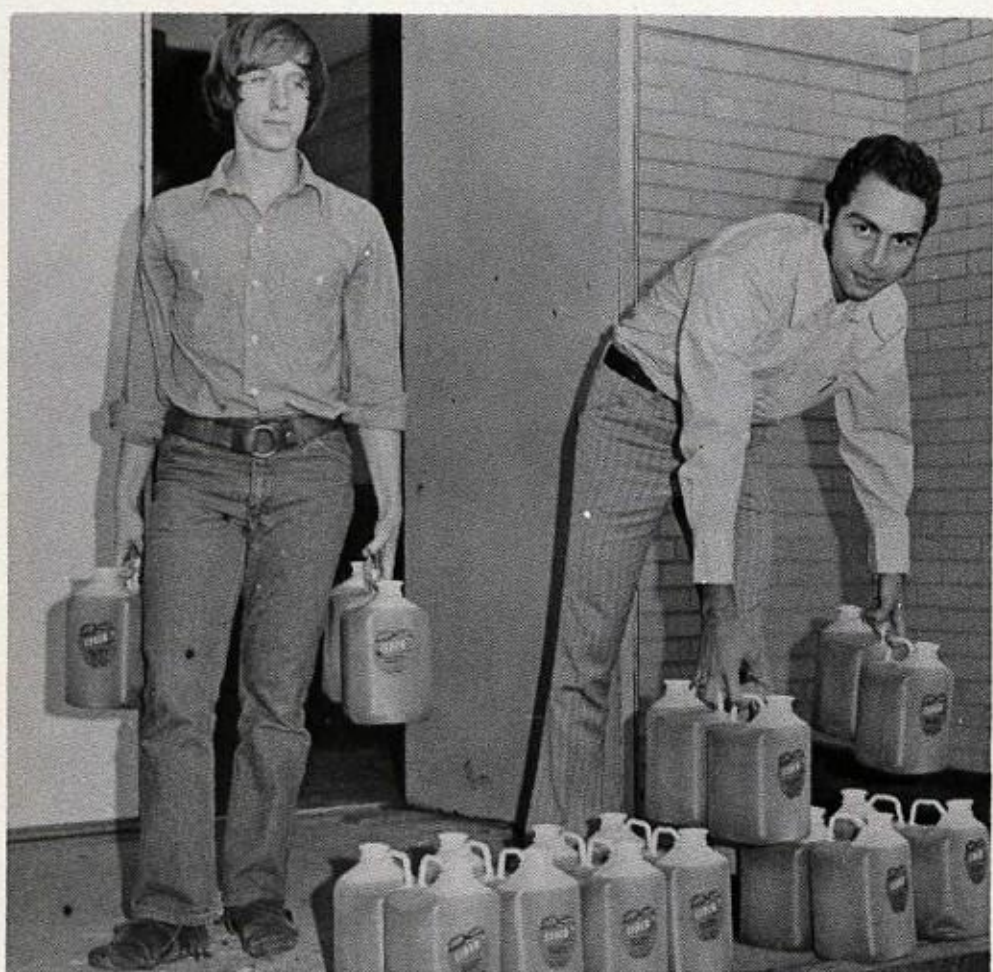

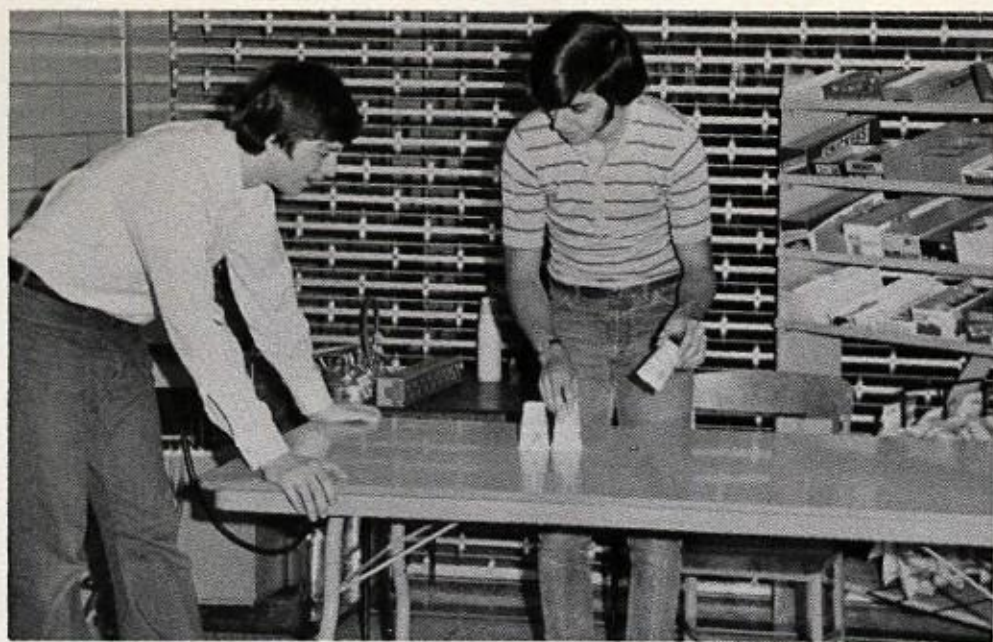

*Student Council was responsible for two innovations at Westmont this year, a full length feature film presented as an assembly and the Christmas door decorating contest won by Mr. Paone's homeroom. Other projects included the establishment of the International Exchange Program for next year, the organization of the 1971 Homecoming, and the continuance of the interschool exchange with Ferndale and Richland. The Council held two stationery sales in order to finance activities. Officers were Don Nokes, President; Todd Toth, Vice President; and Nancy Rizzo, Secretary-treasurer.*

# Key Club

*Under the direction of President Don Overdorff, the Westmont Key Club has had an exceptional year. Activities of this past year included ushering at many school activities, collecting for the Heart Fund, aiding the Group for Recycling in Pennsylvania, and moving books from the old Cambria Public Library to the new library. The fund-raising event was the annual cider sale. Contributions to Westy this year were the addition of several atheletic plaques and five waste cans. Key Club entered the winning float in this year's Homecoming festivities. Other officers were John Matthews, Vice President; Shawn Shea, Secretary; and Sam Coppersmith, Treasurer.*

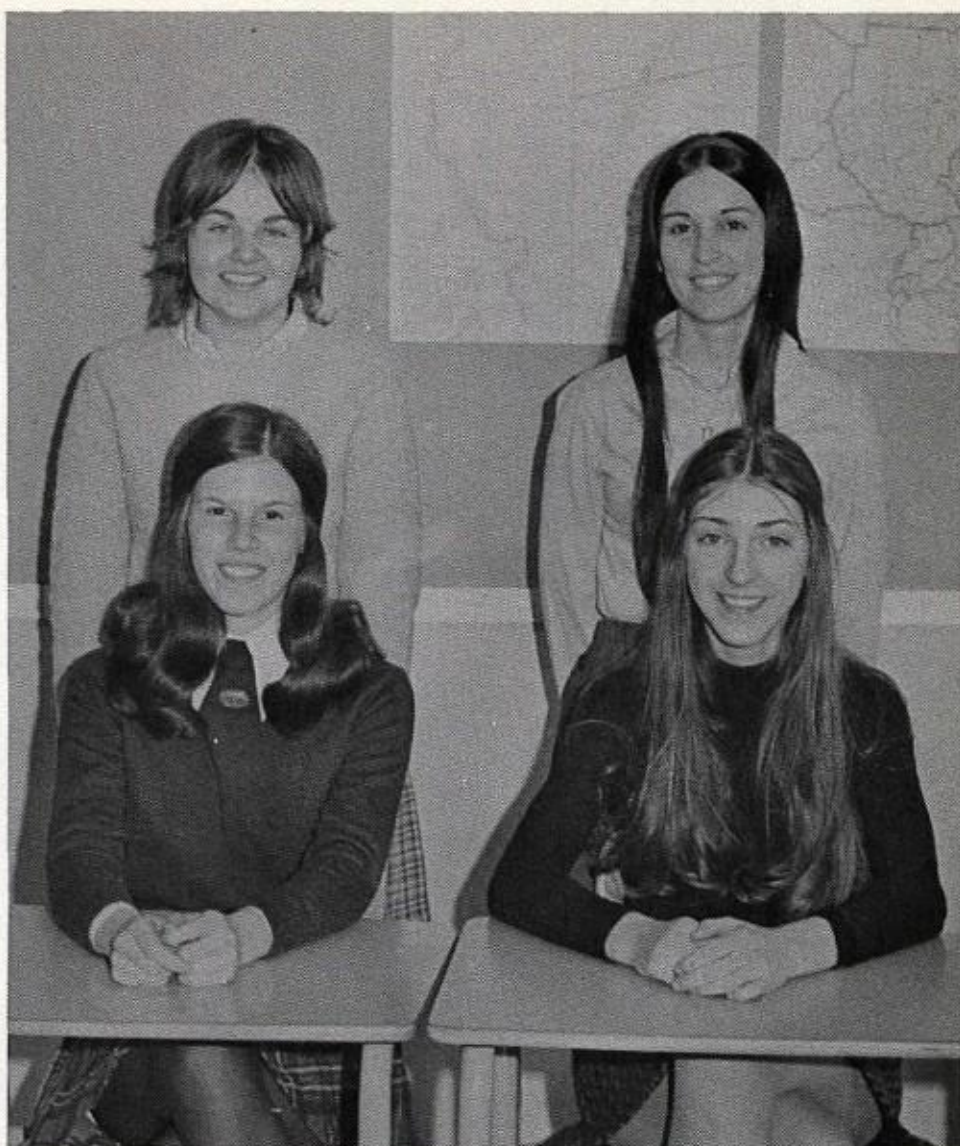

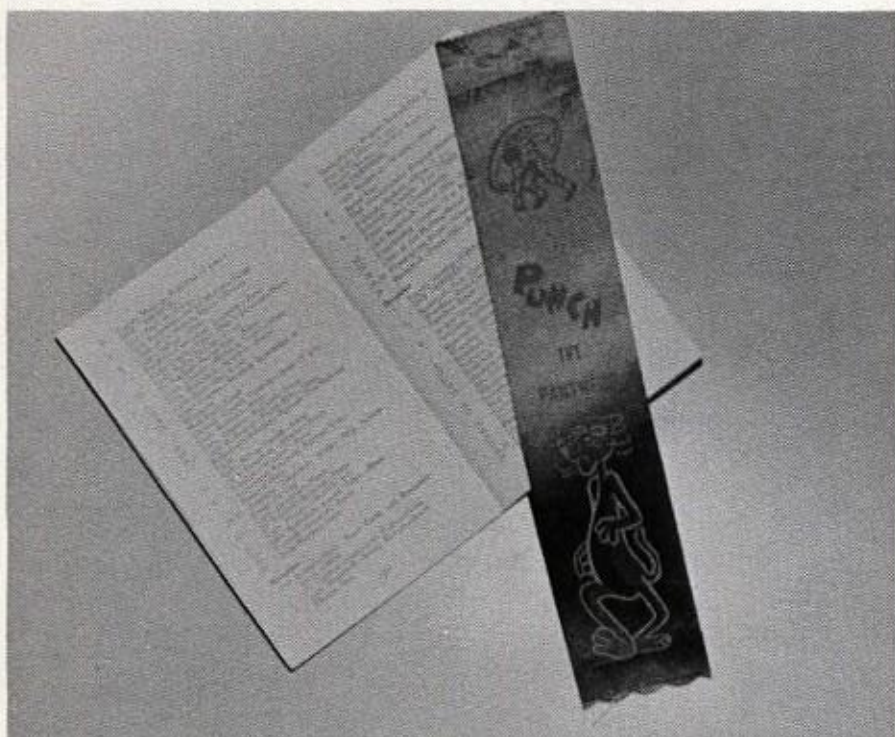

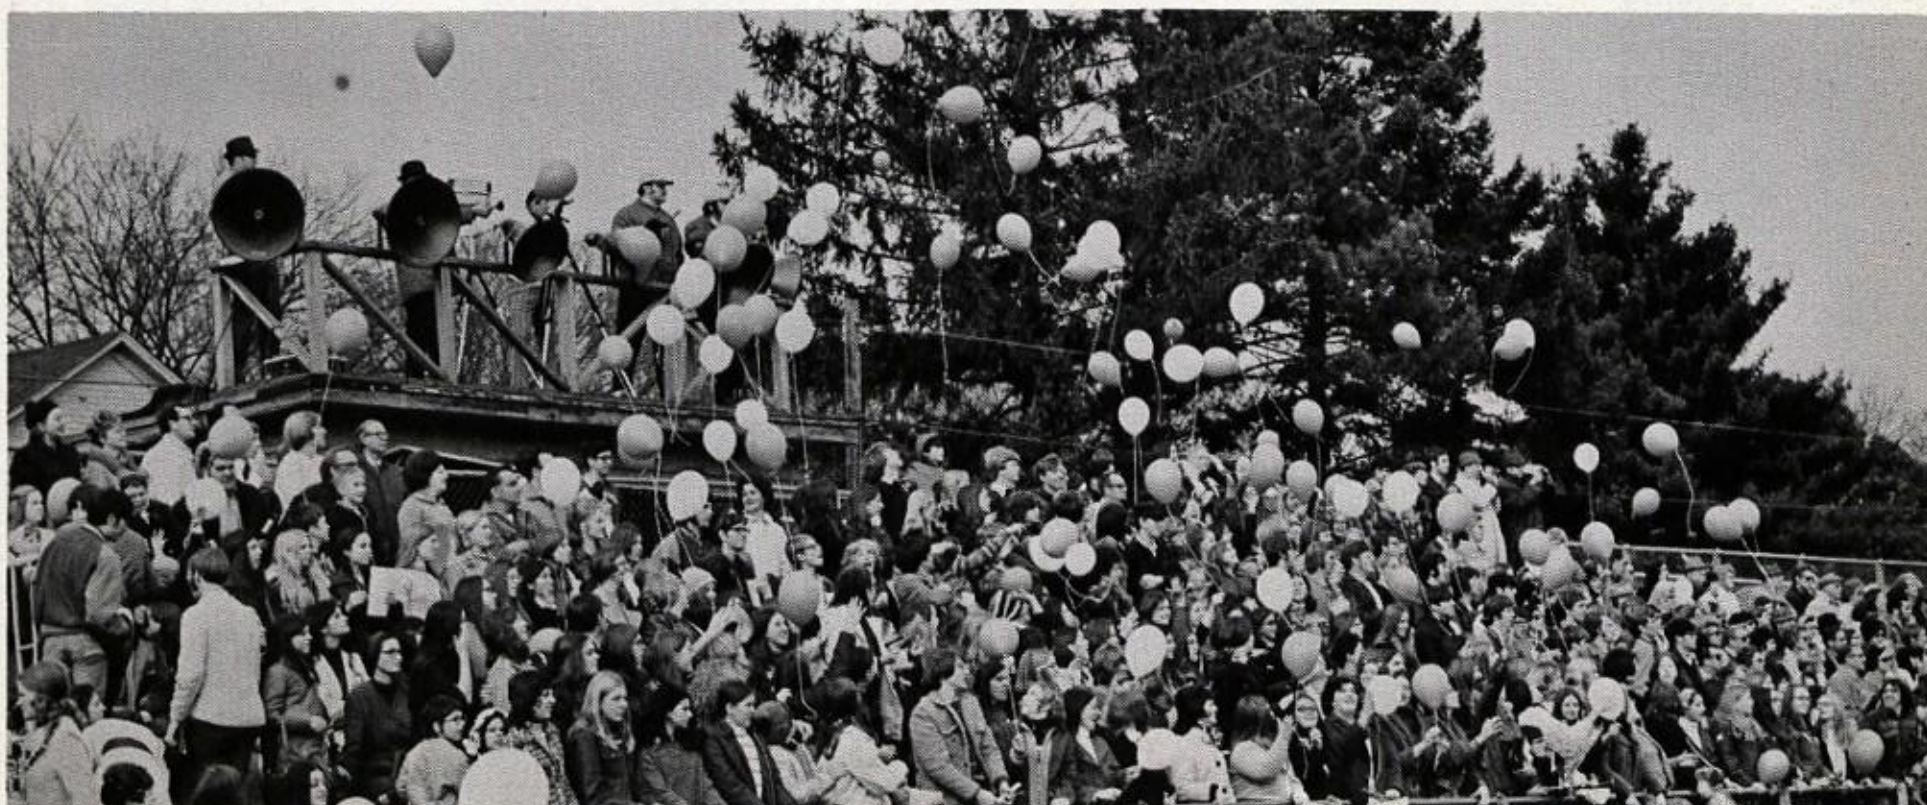

# Pep Club

*Pep Club Officers: Ann Crain, Kathy Tarsovich, Rita Weinzierl, Jackie Sahlaney.*

# Basketball

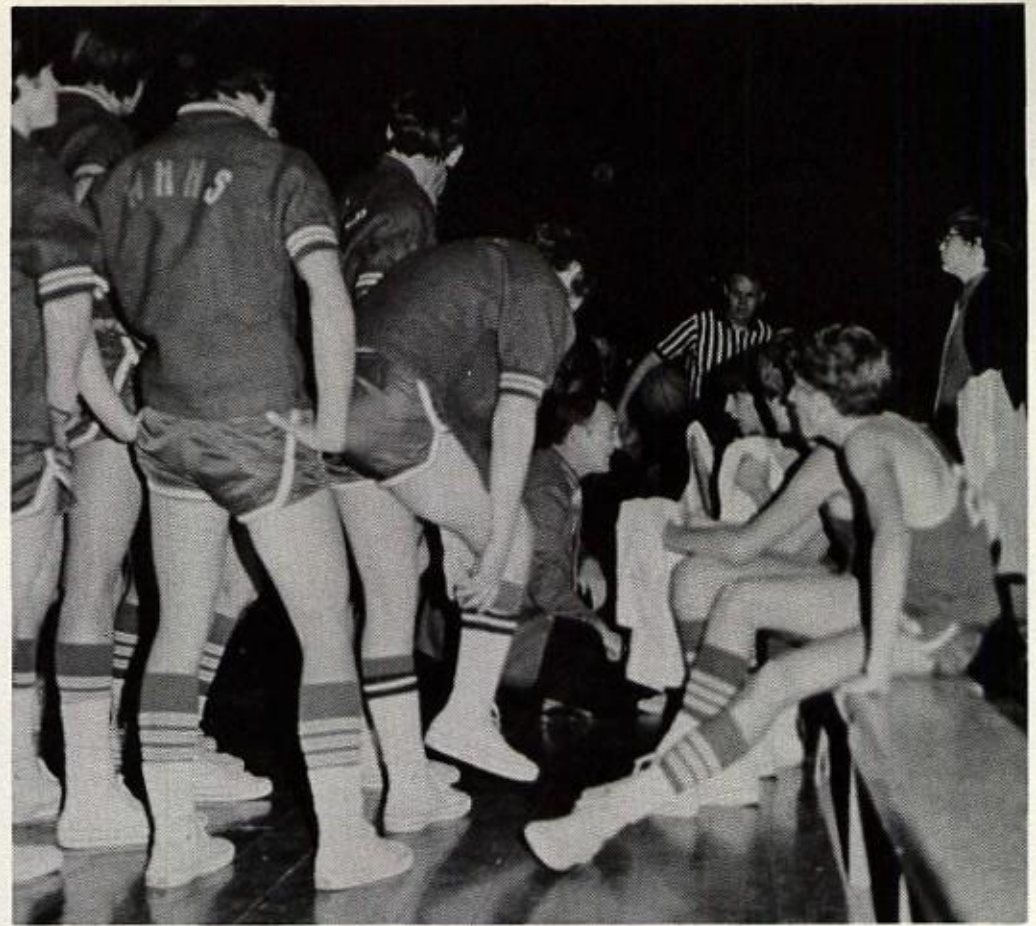

The experience gained in the 1970-71 season paid off in the 71-72 season for Westy's Hilltoppers. Returning lettermen, Rick Raab, Kim Kunkle, and Rory Dougherty, aided by Cliff Allen, Frank Gitto, and Matty Magistro, rolled up a fantastic 19-7 record after working through districts into interdistrict playoffs where they met a heartbreaking defeat from Iroquois at Edinboro State College. Rick Raab led the Hilltoppers in scoring this season, but the team as a whole was very well-rounded; each man performing well in shooting, rebounding and ball-handling. Surely the 1971-72 season was one of the most exciting in the history of Westmont basketball.

# Cheerleading

*Cheerleading . . . very much these days is something for more than crowd control . . . yells, pompom routines and stunts. It is far more than pep rallies and spirit. A cheerleading squad represents the image of a school. This year's varsity squad, consisting of seven seniors and three juniors participated in the cheerleading contest at the War Memorial and captured 4th place. The squad was well supported throughout the year. In addition the cheerleaders did a lot to help "psych" the teams. They made signs and announcements, and during the holidays the players received such things as Christmas stockings and Valentines. Also, the Junior Varsity cheerleaders should be recognized. Made up of two juniors and eight sophomores, they practiced hard throughout the year to cheer for J.V. football, basketball and the varsity and J.V. wrestling teams.*

*The squad leads off another big cheer.*

*LET'S GO WESTY!*

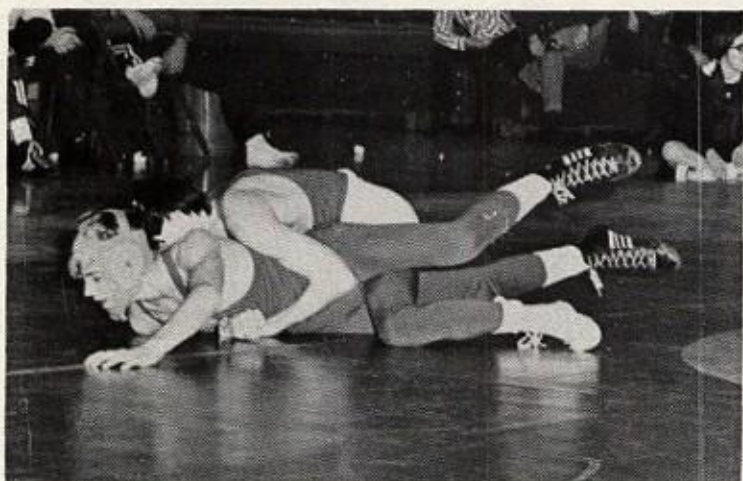

# Wrestling

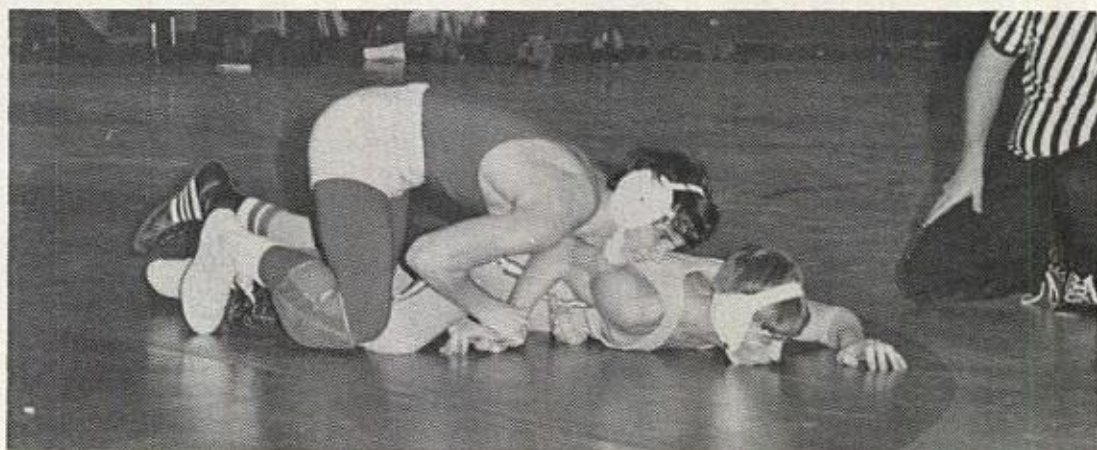

Along with a fine basketball team, Westy was fortunate this season in having a great wrestling squad. The grapplers compounded a winning 9-3 record this season, with Dave Blythe, Don Overdorff, Bo Reininger, and Mike Burns having outstanding seasons. In the sectional meet, Dave Blythe had a tremendous win over rival Brian Rummel and was named Outstanding Wrestler of the tournament. And in the Christmas Tournament Dave Blythe and Mike Burns were champs for Westmont. Fine leadership by Coaches Claycomb and Puhala led the boys to their successful season.

## Girls' Volleyball

The Girl's volleyball team, under the dedicated coaching of Miss Doris Leibfried and the fine leadership of co-captains Barb Ruhf and Diane Georg, enjoyed an extremely successful season this year. Through hard work, determination, and tremendous ability, the girls captured their section crown. Their 10-1 record further evidenced their ability. The team's sole loss occurred during the league championship game with Richland. This loss was not suffered because of inadequate ability, but because of varying interpretations of rules. But aside from this loss, the girls should be commended for their outstanding performance.

Although the year ended with a 3-2 loss to Vo-Tech, the Hilltop sluggers can be proud of the number two spot in the section. Next year looks promising with many underclassmen returning.*

## Track and Field

*Track and Field is an individual sport. Each man tries to better his time and realizes the importance of training programs and a maximum effort. But it is also a team effort. A combination of good men in field and an effective, balanced group of runners is not always enough for a track team. There must be depth in all events and a good team of reserves.*

*This year Westmont had the good men, balanced runners, and depth. And although the record does not show it, this year was a fine year for Westmont's developing track team. Seniors; Tim Brader, Don Nokes, Bo Reininger, Rory Dougherty, Forrie Spangler, Keith Wassum, Don Fairbanks, and Jim Kuntz helped lead the team to respectable showings in all their meets. But the Junior relay team made up of John Herdman, Todd Toth, Jim Herdman, and Don Cowie, along with Dave Webster in the discuss throw qualified for the state meet. With all of the experience gained this year and the returning lettermen, next year promises to be a winning season for Westy's trackmen.*

# Graduation Day 1972

*For Seniors, a day of excitement and a final look around.  
As they say good-byes to people they may never see again;  
The memories of four years hit hard  
With emotions from nostalgia to fear  
Relief to anticipation . . .  
One by one, as names are announced,  
They accept the diplomas  
And feel prepared to pit four years of education  
Against the demands of an exciting world.*

**THE GREAT CLASS OF 1972 ! ! !**

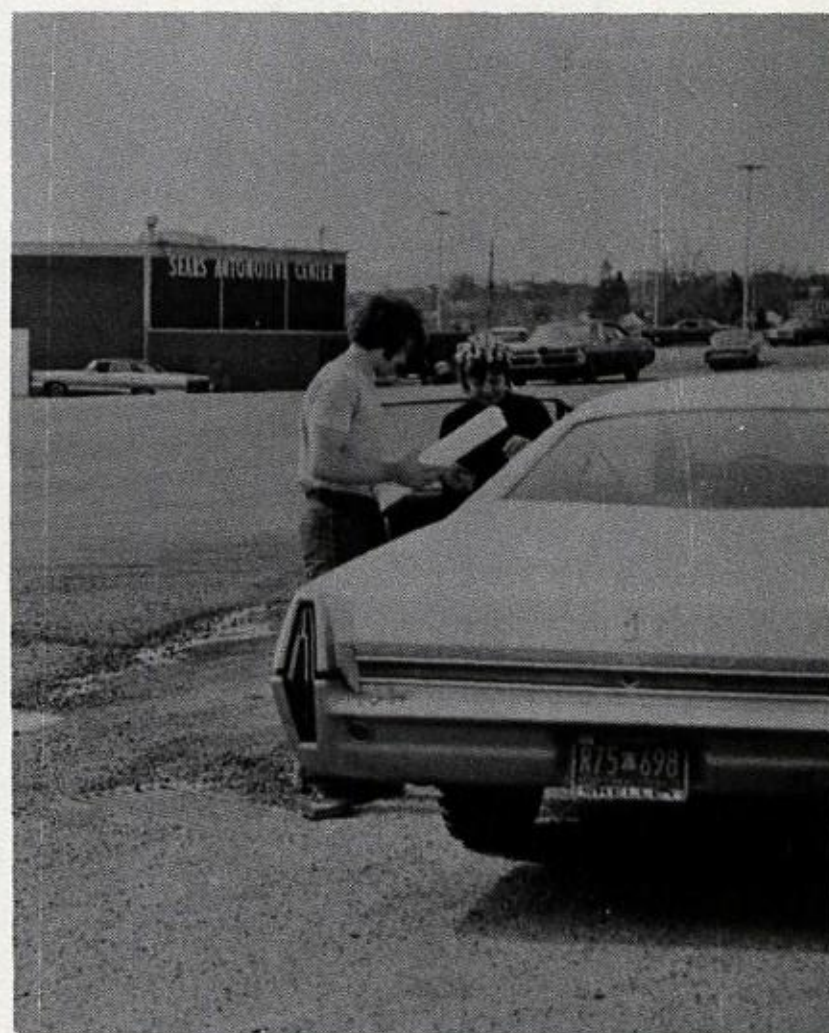

*Let us pray that strength and courage abundant be given to all who work for a world of reason and understanding \* that the good that lies in every man's heart may day by day be magnified \* that men will come to see more clearly not that which divides them, but that which unites them \* that each hour may bring us closer to a final victory, not of nation over nation, but of man over his own evils and weaknesses \* that a true spirit of joy, beauty, hope and above all, abiding faith—may live among us \* that the blessings of peace be ours—the peace to build and grow, to live in harmony and sympathy with others and to plan for the future with confidence.*
